Her first husband was a Yankee, her second an Italian, her third a Swiss, her fourth a German, and her prospective fifth is a Polander. LOCAL BRIEFS—

Tomatoes still linger on the market-stands.

The county work-house has nine inmates.

Yesterday was by far the dullest day of the fall season.

Black silk or velvet should not be worn as mourning dresses.

'Possum hunting is the favorite sport with a number of our city salesmen and clerks.

Fresh fish direct from Newbern are plentiful in this market, and sell at reasonable prices.

The boarding-house keepers are getting their houses in order for the assembling of the Legislature.

Dr. J. W. Alston is called from the city on business of a pressing nature. He will be absent for several days.

The Northern mail reaches this point an half hour later since the recent change of schedule on the Raleigh and Gaston Railroad.

Repairing worn out brick pavements on Fayetteville street, is one of the results of the panic. It is best to use the Schillinger pavement, even if cotton is 12½ cents per pound.

A small colored boy, whose name we were unable to learn, sustained severe and painful, though not serious, injuries yesterday morning by falling from the bridge that spans a small stream on East Lenoir street.

The unreconstructed of our office have been placed under renewed obligations to "Gill," the popular liquor dealer of Exchange Place, for a bottle of Hennessy brandy, said to be very fine. They seemed to enjoy it highly. It smelt well.

It is really refreshing to see a man these panicky times hurrying to the bank to take up a note ten days before it is due. We have a few of that kind left in the city, for we saw one yesterday.

A special dispatch from Weldon last night says: The entries to the fair so far are double that of previous fairs and the attendance if the weather permits will be exceedingly large. We may therefore reasonably conclude as the weather is propitious that on Thursday next there will be the largest crowd on the fair grounds than ever was known before.

PROGRAMME FOR THE WELDON FAIR.—The following is the programme for the Weldon Fair for Thursday and Friday:

Thursday.—Exhibition of saddle and harness horses and a parade of all stock, between 10 and 11½ o'clock. At 12 o'clock the annual address will be delivered by Gen. M. W. Ransom. A trotting match at 2 o'clock, mile heats, best 3 in 5 to harness, 3 or more to enter—$75 and $35. At 3 o'clock a running race, mile heats, best 2 in 3—$50. At 3½ o'clock a trotting match, between horses 4 years old and under, mile heats, best 2 in 3 to harness—$20 and $10.

Friday.—A trotting match at 10 o'clock, mile heats, best 2 in 3 to double harness, $20. At 11 o'clock a trotting match between native horses, mile heats, best 3 in 5 to harness, 3 or more to enter—$75 and $35. At 12 o'clock a pacing match, mile heats, best 2 in 3—$20. At 1½ o'clock a running race, 1 mile—$20 and entrance fee. At 2 o'clock a grand plowing match between practical farmers, 3 or more to enter, $20, $10 and $5. At 3 o'clock a foot race will take place, open to all—$5.

CHARITY BEGINS AT HOME.—We are a regular church goer. But few Sabbath's pass over our head that we are not found an auditor at either one or the other of the churches of Raleigh. We have no fixed sectarian priuciple, and consequently have faith in all denominations that preach Christ and Him crucified. All are right on general principles, and if our ministers would not spread out so far we would agree with them all. For instance, last winter we were frequently called upon to contribute to the relief of certain localities where bread and raiment were indispensably necessary to the lives of the people. We gave our mite (and just here we would remark that the mite of the local editor in point of size, &c., is nigh unto the widow's, &c., &c.) So far, so good. But while we were contributing to foreign wants, the heathens, &c., last winter, nearly every day there were cases before the Mayor's Court, from which a certain class of evidence was adduced, that made us think and believe that our charity fund could be better applied at home.

So much were we impressed with the fact that there was more destitution, more privation, more starvation in the city of Raleigh than our preachers dreamed of in foreign climes, that we made a regular application to Chief of Police King for assistance to carry out our purpose of searching out such cases. In answer to our application, Capt. King presented himself in person, and said to us, "I will show you myself."

Yesterday evening we made our first round, and we propose to commence a series of articles under the above head. We shall confine ourself strictly to facts, and philanthopists, who sit in their carpeted chambers under the glow of a blazing fire, and dispense their charities according to the advice of ministers, who like themselves, have only a vague idea of what is transpiring will doubtless open their eyes when our articles appear.

Our Oxford correspondent under date of yesterday, furnishes us with the following items:

Jordan Porter, formerly President of the League, was imprisoned by His Honor, Judge Watts for sixty days in the common jail of the county.

Jordan has only been incarcerated for three days, but is pining for liberty. He is doubtless disgusted with what he considers the harsh sentence of Judge Watts. He evidently did not anticipate such treatment at the hands of a Republican Judge.

Messrs. Cox and Busbee are discharging their duties as prosecuting officers with characteristic zeal and abilit.

Caswell Young thinks he can eclipse Weston's pedestrian achievements without extending his speed beyond his average walk. Caswell is evidently a prodigy in "speed and bottom." Hurrah for Granville.

We are pleased to see by the papers that the articles of handiwork of the Granville ladies were properly appreciated by the judges at the State Fair.

DURHAM ITEMS.—The panic is being seriously felt in our enterprising manufacturing town, but as yet the number of hands has not been diminished. It is believed, however, that a reduction of the workiug force in the factories will commence at an early day.

Notwithstanding the unusually good health of the town, we have had to mourn the loss of three of our best citizens within the past ten days. Miss Martin died on the 18th, Mrs. James Whitt on the 24th, and John Lyon, Esq., on the 25th.

The Spinning Jenny man stretched his canvass in this town a few days ago, and the juveniles are going for it with a vim, at ten cents a trip.

Railroad shipments are heavily on the increase at this depot, so much so, that our gentlemanly agent has found it necessary to increase his force to the extent of a ten pound boy, which arrived safe to hand Sunday morning on schedule time.

There are seven buildings in course of erection here that were commenced since the advent of the panic. As the map man would say: "This is what I call progress, don't you?"

A DESERVED COMPLIMENT.—The following deserved and well-merited compliment to Col. W. A. Allen, of Duplin, we clip from the Charlotte *Democrat*. We endorse the sentiments of brother Yates in toto in regard to Col. Allen as a Senator, and only regret that we have not space to copy the entire letter referred to in this notice:

"We publish this week the letter of Col. William A. Allen, of Duplin county, to which we alluded last week. Col. Allen represents Duplin and Wayne counties in the Legislature, (and is one of the best Senators in that body,) and of course is sensitive when the action and conduct of legislators is assailed or criticised. If every member did his duty as promptly as Col. Allen and a few others, the Legislature would not remain in session more than three weeks, and there would not be so much cause of complaint."

ATTEMPTED ESCAPE.—Blalock and Collins, the two men recently condemned to death at the Johnston County Superior Court, and at present confined to the jail in this city for safe keeping, were detected yesterday morning by jailor Fowler in an attempt to make their escape. They had cut through their shackles and the main bolt of the iron door of their cell. The tools with which they did the work were smuggled into the jail by Collins' wife, as Blalock confessed to the jailor, tied up in an under garment. The jailor yesterday morning took from the person of Mrs. Collins a stout rope some 30 feet long which was designed to assist her husbands' escape. The vigilance of Mr. Fowler deserves praise.

ACCIDENT AT CARY.—On Monday afternoon, at Cary, a colored railroad employee by the name of John Smith had his hand badly mashed while coupling some cars. He was brought to this city and Dr. J. W. Alston called to see him. It was found necessary to amputate two of his fingers, and it is feared that two others will have to go the same way as they are very badly injured.

ANOTHER DISCOVERY.—Lead mines were discovered in Wake county years ago, and only a few weeks since we published the fact that a Philadelphia firm had commenced mining operations seven miles east of the city, and upon their testimony, gave it as our opinion that they would be worked to an immense profit.

Yesterday we were shown a specimen of lead, taken from a ledge or strata from a hillside on Walnut Creek, three miles west of the city, which is said to be of very superior quality. The supply from this vein in the opinion of our informant is inexhaustible. We have the specimen on exhibition at our office, open for the inspection of all interested.

ANOTHER CONCERT AT METROPOLITAN HALL.—The Sextette Club of this city, under the direction of Prof. Julius Schneider, assisted by Dr. L. Von Meyerhoff will give a concert at Metropolitan Hall on Friday evening next for the purpose of raising funds for the relief of the Memphis sufferers. The Club comprizes the best of our native musical talent, and the concert will no doubt be creditable in the highest degree. The noble and praiseworthy object of the entertainment should commend itself to the patronage of our citizens, and we have no doubt but that Metropolitan Hall will be crowded on the occasion.

A SLIGHT BREEZE.—The only excitement that Fayetteville street could furnish yesterday was the few extra capers of the old gray horse attached to one of W. C. Stronach's drays. He was too good-natured to make a runaway of it, yet he protested against making a forward movement when it was decidedly the easiest way to *back* out of a difficulty. Old Whitey *backed* around a whole square, regardless of traveling vehicles, cotton bales, or any other impediment, but finally yielded to the persuasion of a long pole, and when last seen was traveling at a furious forward rate towards the Central Depot *via* Martin street.

DISTINCTION ACCOUNT OF COLOR—A queer discovery has been made respecting the civil rights statute in Arkansas. The expulsion of a person of color form a first class railway car developed the fact that the statute, by the omission of the word "not" negative, itself, for it reads as follows: "No person shall make any rules which shall affect all persons alike, without regard to race or color." This would seem to render it incumbent upon railway and other corporations to make distinctions on account of race and color. Still, it is presumed, courts will go according to the intention of the Legislature.

AMATEUR THEATRICALS.—There is a movement on foot in the city to get up for the fall and winter season an amateur theatrical troupe, and from what we can learn the movement will result in the early organization of a company. This is as it should be, for there is no reason why Raleigh should be behind its neighbors in any enterprise. There is doubtless as good an array of stage talent in our city as can be found anywhere, and only a little green room experience is required to bring it out in full force and effect. We wish the movement success.

REVENUE ITEMS.—The tobacco factory and fixtures entire of Capt. J. L. B. White, near Henderson, were seized by Deputy Collector R. E. Young, on Monday, for alleged violation of the Internal Revenue law. In the factory there were 7,000 pounds of manufactured tobacco, making a good haul for one day.

Forty thousand tobacco stamps were sold to Blackwell & Co., Durham, yesterday.

Receipts yesterday from all sources $1,000.

PERSONAL.—Julian S. Carr of the large tobacco firm of Blackwell & Co., Durham, was in the city yesterday.

"Sunday Half-Hours with Great Preachers" is the name of a very excellent work which is being offered for sale by subscription, by Jno. R. Caswell.

Owing to the stringency, the Newburg steam mills have stopped. Four hundred operatives were thrown out of employment.

A dagger of cast steel, thrust under the hat band, or through the bow that fastens down a long plume, is the ornament of the fashionable English walking hats of this season.

Horatio Seymour has declined the nomination for the General Assembly of New York, which was tendered him by the Democrats of Oneida county.

THE DAILY NEWS.

JORDAN STONE, Managing Editor.
SAM'L T. WILLIAMS, Political Editor.

WEDNESDAY.....OCTOBER 9, 1873.

THE Liberal Republican Executive Committee of New York, at a recent meeting, adopted measures looking to a muster of their full strength in the November election in that State.

YESTERDAY was the last day of grace in Virginia as regards the matter of registration. Every citizen, good and true, has his name on the book and will cast his ballot for KEMPER, WITHERS and DANIEL.

NOT any progress worth talking about has been made in the Polaris investigation. The Secretary of the Navy, Mr. ROBESON, now proposes to delay his report in regard to the expedition until three of the absent seamen put in an appearance. However, enough has been elicited to give a quietus to the stories in regard to the death of Captain HALL by poisoning.

MEMPHIS still writhes in the grasp of the deadly fever and sends out agonizing appeals for succor. The disease is reported in sporodic cases, in cities and towns of Georgia, Texas and Alabama, but it is too late, we hope, to do any material damage this year. But if it is true, as some contend, that the fever has its stated period of four years to run before it dies out, there is danger ahead.

IN speaking of SIGNOR FIGUERAS, the newly appointed Spanish minister to Washington, the Baltimore *Gazette* takes occasion to make the following pleasant little allusion to Gen. DAN SICKLES:

"There could not be a better appointment than Spain has made in Signor Figueras, nor a worse one than the United States maintains at Madrid in the person of General Sickles.

OUR telegrams and exchanges daily speak of the suspensions of mills, factories, &c., af the North, and of operatives by the hundreds being thrown out of employment thereby. This could not happen at a much worse time than just at the beginning of winter. If matters grow much worse the condition of the laboring classes will be lamentable, and to prevent untold suffering the charitable will have to respond to frequent appeals for help.

THE subject of a return to specie payments is now being generally discussed by the press of the county, a fresh vigor being given to the discussion by the present condition of financial affairs. As the first step towards a resumption of these payments the Treasury Department proposes to pay out silver instead of greenbacks where silver is desired. Instructions are, it is said, to be issued to the Treasurer and Assistant Treasurer in accordance with this purpose.

AMONG the names in the list of the victims of the yellow fever scourge at Shreveport is that of Gen. JOHN S. HODGE, formerly commander of what was known as "Dick Taylor's Brigade," of Ewell's division, Stonewall Jackson,s corps, army of Northern Virginia. General HODGE started out as Captain in the 9th Louisiana, and was promoted through successive grades to the Colonelcy of that celebrated regiment, participating in every engagement, from the first Manassas to the last campaign around Richmond, and was wounded nine times, twice very seriously.

The Restoration in France.

If there is any credence to be placed in our recent advices from France, the restoration of the Bourbon family, in the person of COUNT DE CHAMBORD, is in every way probable. We are told that the COUNT is very hopeful of soon occupying the throne of his ancestors, and that he has already addressed a circular to the foreign powers assuring them that his throne policy will be of a pacific character, and that he will not aid the Pope in his effort to regain his lost temporal power. The Bishop of Orleans has instructed his clergy to offer up prayers for the return of the royalty.

The Virginia Campaign.

The true sons of this noble old Commonwealth are aroused to a full sense of their danger and duty. All over the State are her children in council and active in their preparations to give Radicalism such a deep and thorough burial next month that its existence will soon passed into a hated memory. The trenchant blades of KEMPER, WITHERS DANIEL and others of her true-hearted and true-blooded sons are mercilessly dealing death-strokes in the already retreating ranks of the enemies of her true prosperity and dignity, and on the fourth of next month the grand charge will be made, and then the retreat will become a complete and irreparable route. That victory will perch on the banners of the children of the soil we are as well assured as we can be of anything still hidden behind the veil of the future.

THE New York *Tribune* of the 25th inst., has the following brief but significant article in regard to the money market:

"Rumor was unusually busy in Wall street yesterday, and all reports tended one way—to "bear" the market. The most startling of the various stories afloat was that relating to an alleged defalcation in the Lake Shore Railroad Company. This rumor, promptly contradicted though it was, showed that men's minds are suspicious; a great defalcation seems to be the natural thing to expect. The street, however, rallied from this and other concerted attacks, and the day closed with restored buoyancy. But it cannot be denied that the prevailing feeling is one of uncertainty and apprehension. The general complaint is of dullness, depression, and stagnation, though rays of comfort appear here and there. It is pretty clear, however, that we have before us a hard winter.

The following, which will make the blood of every true Southerner boil in his veins, is from the last issue of the Chester (S. C.) *Reporter:*

On Saturday afternoon last we witnessed on the streets of Chester a sight which we had thought never to have seen. We saw a *respectable white lady being dragged to jail by a negro constable.*

The lady was Mrs. William M. Robins, and the circumstances under which this shameful indignity was perpetrated upon her were as follows: She had been arrested on a warrant issued by B. F. Michael, a negro Trial Justice, upon the complaint of one Nathan M. Alliley, another negro, that she had made an assault upon him. In obedience to the arrest, she appeared at the Trial Justice's office accompanied by her counsel, General W. A. Walker. While the bond for her appearance for trial was being prepared, she and her counsel were standing at the door of the office conversing. Mrs. Robins remarked that she was done with niggers on her plantation, that they gave her so much trouble that she did not intend to have any more of them about her. At this, Michael flew into a rage, accused her of having insulted him, and ordered that she should be confined in the common jail of the county for twelve hours for a contempt of his court. In vain did she disclaim having said a word about the court; in vain did she deny any purpose to insult the Trial Justice; in vain her counsel, General Walker, assured the Trial Justice that the remark had no reference to either him or his court; the commitment was written out, placed in the hands of Isom Grier, a negro, and orders given to him to carry the prisoner to jail. The poor woman was led off terror-stricken at the idea of being incarcerated in jail, and at the unparalelled outrage that was being perpetrated upon her; and this manifestation of fear on her part gave occasion to a crowd of savage and fiendish negro women to gather around the constable and exult in the spectacle. The husband of the unfortunate lady could think of nothing else to do than to run to Judge Mackey for assistance. The Judge came upon the scene and by some means induced Michael to countermand his order and discharge the prisoner.

This is the plain, unvarnished story. We will not trust ourself to make any comments.

The North Carolina Counterfeiters.

From the New York *Herald* of the 25th inst., we reproduce the following dispatch, dated Greensboro, N. C., Oct. 24th, in reference to arrests among the gang of "queersmen," which have infested the Western part of this State for some time past:

"Thanks to the indefatigable exertions of the corps of secret service men from New York most of the counterfeiters in this section of the State have been arrested, notwithstanding the tardiness and carelessness of the United States Marshal. Of the three who escaped from the deputy marshals on the 22d after arrest one has been recaptured by a secret service man. Four additional arrests have been made, leaving only three more, for whom warrants have been issued, besides the two escaped. The two expeditions sent from Asheville having to traverse an area of over 500 square miles in extent, embracing ten counties, are yet unheard from. These expeditions are compelled to travel entirely on horseback, and, being remote from either railroads or telegraph lines, it may be several days yet before any definite information is received as to their failure or success. The most important prisoner brought in to-day was William R. Black, of Madison, Rockingham county, and the leader of the gang known as Black's. He is about 85 years of age, and owns most of the town in which he lives, his estimated wealth being about $150,000. Black is reported to have had dealings in the "queer" his entire lifetime, and it is supposed that it was by this means he accumulated his present wealth. It is related of him that he never failed to take back and redeem in genuine currency any counterfeit which might be brought back to him. One person who found himself in possession of a $50 counterfeit bill—he did not know by what means—went to Black and said, "Mr. Black, the $50 bill you gave me a few weeks since I find is a counterfeit." Black, putting on his spectacles, replied, "Excuse me; my eyesight is bad; but here is the money for it," at the same time planking down five genuine tens. These the individual pocketed conscientiously, though he had not received a counterfeit from Black, knowing that person would easily dispose of it in his "queer" transactions. When arrested he expressed himself as entirely ignorant of the charges against him—knew nothing about counterfeits—and accompanied the Deputy Marshal without a murmur.

The next two prisoners are plethoric in person as well as in purse, their combined weight being 557 pounds, and both are merchant farmers, John Moore, of Mooreville, has his residence in Iredell county. He is worth about $30,000. He is about sixty years of age, and weighs 282 pounds. Washington Broadley, of Sheppard's Cross Roads, in the same county, is a younger man, scarcely less wealthy, weighing 275 pounds. The charges against them both are for selling, issuing and passing counterfeit United States currency. They were both taken to Statesville to appear before a United States Commissioner at that place. Willard Bryant, teamster, of Charlotte, Mecklenburg county, was arrested on the same charge and bailed in $5,000 to appear. Joseph Baker, who escaped on the 22d, was re-arrested, but while at large he passed a counterfeit $5 bill on a man named Burns. He admitted this charge and was committed in default of bail. Black will have his preliminary examination here tomorrow with view to be allowed bail.

The arrests created a great deal of excitement throughout the State, but the people express the greatest gratification at the prospect of rooting out an extensive system of swindling of which they have so long been the victims.

SPECIAL NOTICES.

BILLOUS.—If you feel dull, drowsy, debilitated, despondent, have frequent headache, mouth tastes badly in morning, poor appetite and tongue coated, you are suffering from Torpid Liver or "Billousness." In many cases of "Liver Complaint" part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal. It effects perfect cures, leaving the liver strengthened and healthy. Sold by all first-class druggists.

How unnecessary the anguish many persons undergo from rheumatism, gout, neuralgia, toothache and earache. What unnecessary because the application of Mexican Mustang Liniment to the affected part, or a few drops of it in the aching tooth, affords instantaneous, and what better, permanent relief. For cuts, wounds, bruises, swellings, and all injuries or diseases which require treatment externally this liniment is every where regarded as the most potent and reliable healing agent in existence. For all external injuries or ailments of horses and cattle, it is unfailing.

His Honor, HENRY POTTER, late Judge of the United States Court for the District of North Carolina, gave the following opinion of Beckwith's Pills:

"For some ten or twelve years past I have been in the habit of using DR. BECKWITH'S ANTI-DYSPEPTIC PILLS in my family, and consider them so valuable a domestic medicine, that I never want the stock to be exhausted. I have used them with good effect in dyspeptic cases of various modifications, and have found them efficacious in relieving from the Headache, and from all the usual symptoms of functional derangement of the digestive organs. As an apperient, they are excellent. I have long had the pleasure of an intimate acquaintance with the inventor of these Pills. He is a gentleman of talents, integrity and worth, and he ranks high in the science of medicine and the healing art.

H. POTTER.

A negro lad about 18 years of age, on Tuesday of last week, near the residence of Col. Owen Jones, Greene county, killed a negro by the name of Silas Edwards, aged 25 years. The quarrel originated about the boy stealing turnips. At last accounts the murderer had not been arrested.

Says the Asheville *Pioneer* of the 25th inst.: "We are informed that a serious affray occurred at Burnsville, Yancey county, on last Tuesday, in which two brothers named Wilson were fatally wounded, and George Edney seriously and Wm. Edney slightly wounded."

Says the Newbern *Times* of the 26th inst:

"We regret to state that a child of Mr. A. Conway, who lives on Spring Street, about four years of age, was badly burned on yesterday by its clothes accidentally taking fire. We learned from Dr. F. Duffy, the attending physician, that the burns, though extensive, will not necessarily prove fatal."

Says the Wilmington *Star* of the 26th inst:

"Yesterday morning a little son of Mr. John B. Skipper, about 3 years old, strayed from home on Sixth, between Brunswick and Bladen streets, and up to 4 or 5 o'clock in the afternoon no tidings had been received of him, although a dilligent search had been made. It is to be hoped, however, that he was recovered later in the evening and restored to his anxious parents."

Says the Wilmington *Journal* of the 26th inst:

"We were deeply pained, last evening, to learn that an accident had happened on the upper line of the Charlotte Road, by which Capt. George Morrison, of this city, a passenger Conductor on the Road, was seriously injured.

Capt. Morrison left here yesterday morning, as usual, his youngest daughter accompanying him on the trip. He left her at Rockingham, in the afternoon, and proceeded to the head of the road with his train. He then obtained a hand-car and was returning on it to Rockingham when, the car going at a pretty high rate of speed, a flat car was encountered standing on the track just beyond the Pee Dee Bridge. The hands who were propelling the car jumped off and were not hurt, but Capt. Morrison, who was sitting at the time on the front of the car, was severely injured, both legs having been broken below the knees, one of them being badly crushed and the other not so seriously injured. He was taken up and carried to Rockingham where Doctors Stancill and Covington were called in. The accident occurred about 7 o'clock, just after dark, and the news reached the city about half-past 10 o'clock, last night. The dispatch was signed by Captain Morrison, and stated that he was suffering intensely. It was addressed to a relative and begged him to come to him at once. A special train was to have gone up last night."

In alluding to the Kelsey murder and mystery, the New York *Herald* of the 25th inst., says:

"We are glad to notice that Governor Dix has taken some preliminary steps looking to an official State investigation into matters connected with the barbarous treatment and alleged subsequent murder of Charles G. Kelsey, at Huntington, L. I. It would, perhaps, have been better had the proper legal officer of the State (the Attorney General) taken the initiative in the special examination. The case was given to the Coroner's jury last evening, but up to a late hour the verdict had not been rendered. The evidence given yesterday presented the usual features of this deplorable affair—namely, testimony offered on one side and flatly contradicted on the other, involving perjury on at least one side. The California skeleton of a living Kelsey having been abandoned, the idea of a "political conspiracy" is now introduced for the defence of the suspected parties."

Wilkie Collins has been obliged to discontinue his readings on account of physical indisposition.

A CARLIST AMAZON.—A correspondent of the London *Times* writes from the Royalists headquarters of Northern Spain:

A discovery was made a few days since that a woman was serving in the Royalists ranks dressed in a soldier's uniform. She was found out in the following manner: The priest of the village to which she belonged, happening to pass through a town where the regiment was quartered, and chancing to see her, was struck by the likeness she bore to one of his parishoners. "You must be Andalacia Bravo," he remarked. "No, I am her brother," was the reply. The cure's suspicions were aroused, and, at his suggestion, an inquiry was made, when it was discovered that the youthful soldier had no right to the masculine vestments she wore.

Don Carlos, when he was told of the affair, desired that she should be sent as a nurse to the hospital in Durango, and when he visited the establishment presented the fair Amazon with a military cross of merit. The poor girl was delighted with the decoration, but besought the King to allow her to return to the regiment, as she was more accustomed to inflicting wounds than to healing them. In fact, she so implored to be permitted to serve once more as a soldier, that at last Don Carlos, to extricate himself from the difficulty, said: "No; I cannot allow you to join a regiment of men, but when I form a battallion of women, I promise upon my honor that you shall be named the colonel." "It will never happen," said the girl, and she burst into tears as the King left the hospital.

FOURTEEN YEAR'S IN THE STATE PRISON FOR ANOTHER'S CRIME.—Fourteen years ago Louis Waldenberger was arrested in Egg Harbor city, N. J., on charge of murdering his child, tried, and sentenced to be hanged. The sympathy of his neighbors was aroused. They did not believe that he was guilty. This feeling was so strong that the court of pardons commuted his sentence to imprisonment for life. In these fourteen years that he has been incarcerated his wife has died, and many of his friends who had tried to secure his freedom. From certain statements made by his wife on her death bed, it is probable that she was the guilty one. The inhabitants of Egg Harbor are moving to secure his release. Ten of the jurymen who convicted him have signed the petition, one of them is dead, and the other has departed for parts unknown.

GENERAL JOSEPH JOHNSTON.—It is announced that a careful and deliberate account is about to be published from the pen of Gen. Joe Johnston of the events which preceded his removal from the command of the Southern forces operating against General Sherman in Tennessee and Northern Georgia. Military men, it is said, have long been aware of the decisive effect of that removal in favor of General Sherman and of the Union cause.

The days of the famous pony express are about to be revived by the managers of the Philadelphia *Public Record*, who, after Monday next, propose to have their paper in Wilmington by 6:30 o'clock, a. m. McMullen & Seal have been engaged, and with a good horse and a light wagon, will leave Philadelphia at 2:30 o'clock every morning, and drive to Wilmington.

The Dundee (Scotland) *Advertiser* has heard that Mr. James Gordon Bennett intends to fit out an expedition to discover the North Pole, and predicts that if he shall be successful he will be the next President of the United States. The *Advertiser* is evidently a sagacious and intelligent journal.

The Comte de Chambord has given orders to a French horse dealer to purchase the horses and gala carriages necessary to celebrate the restoration of the throne within two months.

On the day of the approaching elections in Virginia, elections will also be held in New York, Massachusetts, Wisconsin, Mississippi, Minnesota and Maryland.

It will surprise many to learn that although the late Horace F. Clark's estate was believed to be worth seven millions at his death, it is now believed to be worth absolutely nothing.

The national foundling hospital at Moscow, Russia, costs five millions a year, and has in its care 10,000 babies.

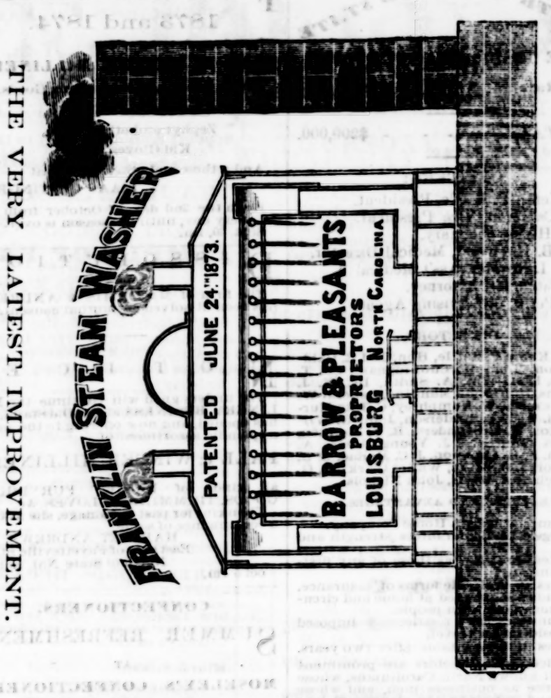
THE VERY LATEST IMPROVEMENT.



PATENTED JUNE 24TH, 1873.

Satisfaction Guaranteed in Every Instance.

OTHER MACHINES HAVE THEIR PECULIAR MERITS—THIS HAS NO DEFECT.

The Washing of a Family of Ordinary size Easily Accomplished before Breakfast!

Have Never Known One That Failed to Give Satisfaction!

No other Machine can be sold after the "FRANKLIN" has been Tried.

From One to Two Thousand Dollars a Year Guaranteed to Working Men!

Every County Sold in Which it has been Introduced.

WE CHALLENGE THE WORLD TO COMPETE WITH IT!!!

The inventor of the "FRANKLIN STEAM WASHER" was owner of the right to manufacture the "Improved" Woman's Friend in certain territory. While manufacturing these machines, and watching attentively their action and the manner in which they operated, and the results, he discovered certain prominent defects therein. He spent ten months in the study of the subject of finding remedies for these defects. He has at last succeeded—and as the result of his investigation and study, he offers to the public the "FRANKLIN STEAM WASHER," which is by far the best Washing Machine ever patented. We claim as an evidence of its merit that "LETTERS PATENT" were granted over all others.

It will wash anything from a Lace Collar to a Bed Blanket. It will cleanse the clothing without tearing and more thoroughly than can possibly be done by hand labor or the use of the rubbing board. With one-fourth of the labor four times as much can be done in the same length of time as can be done by hand. We could publish columns of certificates of its worth from those who have used it, but for the present we prefer the WASHER to speak for itself. We give a few below:

Messrs. BARROW & PLEASANTS, LOUISBURG, September 27th, 1873.

GENTLEMEN:—Mrs. Davis has tried the "FRANKLIN STEAM WASHER" and instructs me to say, in reply to your enquiry, that she is well pleased with it, and believes it to be all that you claim for it as a labor saving Machine. It does its work well and diminishes, by more than half, the labor of washing. She cheerfully recommends it

JOSEPH J. DAVIS.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 10th, 1873.

GENTLEMEN:—Before purchasing your Steam Washer, I paid four dollars per month for our family washing; now without any additional help, I have the washing done at home and pay fifty cents a week to have the ironing done. In this way I save $2 per month, and my clothes are much whiter, and I am satisfied, will last much longer than when washed by rubbing or the use of a board. It is all that you recommend it to be.

Very respectfully, Mrs. C. M. COOKE.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 11th, 1873.

GENTLEMEN:—I am using your Steam Washer, and it proves a success and I take pleasure in recommending it to the public, and testify to its being all that you represent it to be.

Very respectfully, Mrs. P. B. HAWKINS.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 8th, 1873.

GENTLEMEN:—I have been using your Franklin Steam Washer for some time and can safely say is far the best I ever saw. I cannot do without it. Mrs. A. W. WILSON.

Messrs. BARROW & PLEASANTS, FRANKLINTON, September 9th, 1873

SIRS—Mrs. Gibbons has been using your "Franklin Steam Washer" for two weeks and pronounces it a grand success. Rev. H. H. GIBBONS.

Messrs. BARROW & PLEASANTS, LOUISBURG, August 4th, 1873.

GENTLEMEN:—I take pleasure in recommending your "Steam Washer." I acknowledge myself to have been incredulous with regard to yours, after having tested several others that had been as highly recommended to me; but the inconvenience to a large family, of not being able to get a good washer, regularly, induced me to give yours a trial. I am gratified to pronounce it a perfect success. I used it according to directions, and did two week's washing in two hours, nor did I give the first RUB. Whiter or more nicely washed clothes, I have never had. It only needs a trial to convince.

Respectfully, Mrs. W. H. FUREMAN.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 12th, 1873.

GENTLEMEN:—Through the kindness of your agent, Mr. J. J. Person, I have tried your "Steam Washer," and find it by far the best I ever used. It certainly saves a great deal of hard labor and does not damage the clothes. It is all that you recommend.

Respectfully, Mrs. Dr. J. B CLIFTON.

Messrs BARROW & PLEASANTS, LOUISBURG, June 30th, 1873.

DEAR SIRS:—I take pleasure in testifying, that I have used your "Steam Washer," with perfect success, and find it by far the most speedy and effectual mode of cleansing all kinds of fabrics I have ever known,

Very truly, Mrs. Dr. W. R KING.

Messrs. BARROW & PLEASANTS, LOUILBURG, August 5th, 1873.

GENTLEMEN:—My wife has been using the "Franklin Steam Washer" for some time and she, as well as the washerwoman, are highly pleased with it.

Very truly, ELLIS MALONE, M. D.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 3rd, 1866.

GENTLEEN:—I have used the "Steam Washer" I purchased of your agent, Mr. J. J. Person, and find that it will do more than you recommend. We are more than pleased with it. Respectfully, S. E. COOK.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 30th, 1873.

SIRS:—I take pleasure in recommonding your "Steam Washer." It is a complete success. My clothes are whiter than ever before, and that without labor. A very short while with the "Washer" will save a hard days washing.

Yours truly, Mrs. T. C. HORTON.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 24th, 1873.

GENTLEMEN:—I have been using the "Steam Washer" about one month. It surpasses my expectations; it is all that you say for it. I am highly pleased.

Yours truly, Mrs. T. A. PERSON.

Messrs. BARROW & PLEASANTS, WARREN COUNTY, Sept. 15, 1873.

GENTLEMEN:—I have tried your Steam Washer, and find it an admirable success. I cheerfully recommend it to all.

Respectfully, Mrs. Dr. GEO. FIELD.

Messrs BARROW & PLEASANTS, FRANKLIN COUNTY, Sept. 3, 1873.

GENTLEMEN:—I have used your Steam Washer with perfect success I find it a great saving of the clothes, time and labor, and more than half the soap.

Respectfully, Mrs. J. B. LITTLEJOHN.

Messrs. BARROW & PLEASANTS, SHADY GROVE, Warren County, Oct. 1, 1873.

GENTLEMEN:—I have tested the Franklin Steam Washer, sold in this county by Mr. G. F. Littlejohn, and find it a perfect success, and I recommend it to every body.

Yours with respect, Mrs. J. A. WILLIAMS.

OURSELVES AS OTHERS SEE US:

"We take pleasure in saying that the "Franklin Steam Washer" is all that its proprietors claim it—a complete success. We hazard nothing in saying that nothing has ever been put upon the market that meets with such universal favor. We are yet to hear of the first one that does not give entire satisfaction.—Louisburg Courier.

"It is meeting with universal and unprecedented favor among domestic circles."—Rocky Mount Mail.

"Messrs. Barrow and Pleasants constitute one of the strongest and most reliable firms in Louisburg, and from what we have heard of the "Franklin Steam Washer" and the high character of the parties controling it, we have no doubt but that it is all that they represent it to be."—Biblical Recorder.

"The patentees claim for the "Franklin Steam Washer" a superiority over all others, and from the description we have had of its workings, we believe its claims are well founded."—Christian Advocate.

"We have known Messrs. Barrow and Pleasants from "our youth up," and know they would not recommend anything unworthy of patronage. They are leading merchants in Louisburg."—Asheville Citizen.

We have acquired by purchase of the Patentee, Mr. S. W. Bartholomew, the sole right to manufacture and to sell the right to manufacture the "Franklin Steam Washer" within the United States and Territories.

We now offer the "Franklin Steam Washer" to the American people with full confidence that it will do all that we claim for it, and in order to introduce it as rapidly as possible, we are offering great inducements to working men who want to make money; we will sell State or County rights on very reasonable terms; for instance, we will sell the right to a county with ten thousand inhabitants for one hundred dollars. Within twelve months, if properly managed, the person can sell from three to five hundred Washers, at a profit of five dollars each, and his right will be worth more at the expiration of that time than it was at first, from the fact that it has been introduced and will sell in almost every family.

To parties wishing to buy State or county rights, we will, send, on receipt of five dollars, just one-half of the retail price, the "Franklin Steam Washer" complete, with instructions how to use, &c.; and after satisfying themselves that it is what we recommend it to be, they can correspond with us in regard to territory wanted, our terms, &c. We desire a good reliable General Agent in every State in the Union, and we invite correspondence with workingmen who would like to make money. None need apply who cannot furnish satisfactory evidence of their integrity and reliability.

Any time can make the "Washer," or parties buying county rights, can obtain them through us at cost.

All persons are warned against manufacturing or selling the "Franklin Steam Washer" without authority from us. Any person infringing upon our rights in this matter will be prosecuted.

Our Mr. PLEASANTS will have rooms at the Yarborough House during Fair week and will give any information desired.

TO ALL WHOM IT MAY CONCERN:

We are well acquainted with Messrs. Barrow & Pleasants; as merchants they are doing a leading Business in their town. They are men of strict integrity and in every way reliable and responsible. They do what they engage to do.

PAINTNIG THE LILY.

The guests had gone. Upon the quiet street
The unlit windows glittered blank and cold;
The tread was lost of late delaying feet,
And the last carriage from the door had rolled.

She leaned upon the carven stairway rail,
Beneath the dimly-burning entrance light,
Whose jet was borne by brazen arms in mail—
A lady guarded by a watchful knight.

How fair she was! As she stood blushing there,
Her glowing beauties veiled in jealous shade
That deepened the dark eyes and darker hair,
She half recalled the oft-sung Attic Maid.

There were the jetty tresses unconfined,
There was the dainty zone-encircled waist;
And on the swelling bosom, pearl entwined,
The token flowers by happy station graced.

The color in her blooming cheeks and lips
Mocked the pale halo of the envious light;
And the pink blossom of her finger-tips
On her black velvet grew to lily white.

Upon the downmost stair her lover stooped,
(The watchful knight seemed careless of the tyrst;)
No word was said, but when the soft eyes drooped,
They saw the lily by the lover kissed.

A STRANGE STORY FROM CAPE MAY.—*A Long Lost Son Returns.*—A special dispatch to the Philadelphia *Bulletin* from Cape May city, October 23d, says: About twenty years ago Captain Baymore, lying with his vessel in the port of New Orleans, had with him his little son, three years of age, who, while playing around the docks, was suddenly missed. Every effort was used to find him, even to searching in the river, but all was unavailing, and he was given up as drowned. A day or two ago a stranger, with a heavy black beard, and language of strong German accent, made his appearance and claimed to be the long lost son. From his story it seems that he was stolen by a Dutch captain, who cared for him and educated him as his own.

The boy always supposed that he was his father until otherwise informed by the Dutch skipper on his death-bed, who gave him his real father's name and told him he used to live somewhere in Cape May county, N. J. His search here was rewarded by finding his father still alive and a resident of his former home; but strange to say, his father refused to own him, his belief being so firm that his boy was drowned. The son had with him the newspaper containing the advertisement for his body which the Dutchman had preserved. It is said that the young man is in good circumstances, and he started on his return to his present home which is in Mexico.

THANKSGIVING PROCLAMATION.
By His Excellency, the Governor of North Carolina.

EXECUTIVE DEPARTMENT,
Raleigh, October 22nd, 1873.

WHEREAS, The people of North Carolina have been abundantly blessed during the past year, and the earth hath yielded bounteously of all the products of its soil so that the garners of the husbandman are filled to overflowing; and the industrious mechanic has realized a rich reward for his labor, and every class of our populati n prospered in all laudable enterprises; and WHEREAS, above all, fraternal feelings and good will have in a great measure been restored in our midst, and no plague, pestilence or famine, has visited our State: Now therefore, as it becomes us, a grateful people, to render thanks to Almighty God for these and numberless other blessings showered upon us in His great mercy; I, Tod R. Caldwell, Governor of North Carolina, in obedience to law and in conformity with an honored precedent, do appoint and set apart

Thursday, November 27th, 1873,

as a day of public Thanksgiving throughout the State; and I do earnestly invite the clergy of every denomination to open their respective houses of worship on said day and to exhort their congregations to humble themselves before the throne of the ever living God, and render unto Him praises which are justly due, invoking for themselves, their State and their whole country, His guidance and protection throughout all time to come.

"O come, let us sing unto the Lord, let us make a joyful noise to the Rock of our salvation."

"Let us come before his presence with thanksgiving and make a joyful noise unto him with psalms."

Done at the city of Raleigh, on this the 22nd day of October, Anno Domini one thousand eight hundred and seven-three, and in the ninety-eighth year of American Independence.

TOD R. CALDWELL.

J. B. NEATHERY, Private Secretary.
